

March 19, 2020

Dear parishioners of St. Ambrose,

As we struggle to face the reality and challenges of the Global Coronavirus Pandemic may we strive to listen to the voice of God, protecting us and all of His human family throughout the world.

God speaks to us in the Scriptures which often ask us to not be afraid, but to have faith in God, our Father and our Lord, Jesus Christ. God's voice is also spoken through the knowledge and wisdom of scientists, health care professionals and public health officials for the common good of all of God's people. The media provides a great resource for us to listen and take heed and action on how we are being advised and instructed to deal with this crisis. May we also take quiet time in prayer and through acts of sacrifice that challenge us to trust in God's guidance as we seek the safety and well being of one another.

Because the Coronavirus crisis will have a tremendous financial impact in so many ways, I encourage you, to the best of your ability, to contribute to the financial support of the parish. You may do this by mail or online, as well as contact the parish office to see when staff are available to receive your contribution in person.

May God bless and guide us and the whole world with His wisdom and love. May we listen attentively to God's wisdom so as to not harden our hearts or our heads.

God's Peace be with you. Please stay safe and well.

Sincerely,

Fr. Edward Stafford
